

# CAPTIMIN AQUA

Complete combination of trace minerals for Aqua

## Selective form of trace minerals with enhanced bioavailability

Minerals become one of the crucial factors due to their vital role in many biological processes for the growth and health of Aquatic animals. Minerals are inorganic components required by living organisms, including Fish and shrimp.

Mineral deficiency or imbalance in the shrimp farming environment can have fatal consequences. It can disrupt the pond ecosystem, leading to health problems, slow growth, and decreased productivity and harvest quality of Aquatic animals.

Minerals include constituents of the exoskeleton, balance of osmotic pressure, structural constituents of tissues and transmission of nerve impulse and muscle contractions. Minerals serve as essential components for enzymes, vitamins, hormones, pigments, and co-factor in metabolism, catalysts, and enzyme activators. Shrimp can absorb or excrete minerals directly from the aquatic environment via gill and body surfaces. So, the dietary requirement of minerals is largely dependent on the minerals concentration of the aquatic environment.

## Benefits in Fish & shrimp.

- Minerals are essential for the metabolism of Shrimp and Fish.
- It helps Shrimp and Fish to convert food into energy and build new tissue.
- It supports Shrimp and Fish to maintain their shell quality and prevent disease..
- It improves the quality of the shrimp.
- It improves the immune system of Shrimp and Fish and their overall health .
- It increases Shrimp and Fish's growth rate.

## Composition

Each 1KG Contains

**Calcium, Phosphorus, Magnesium, Potassium, Sodium, Iron, Zinc, Copper, Manganese, Iodine, Selenium, Chromium and Calcium Carbonate**

## Dosage

Fish : 500 grams - 1 kg per Ton of Feed.

Shrimp : 500 grams - 1 kg per Ton of Feed.

Not for human, Cat & Dog  
Aqua Feed Supplement

The product is free Chloramphenicol, Nitrofuran, Antibiotics, Melamine, By product of swine/bouvine & other genetically modified organism

## Product of India

Manufactured and Marketed by

**Biozona**  
India Private Limited
